AKC HERDING RULES AND REGULATIONS, SECTION 13. CLOSING OF ENTRIES/ALTERNATES LIST & MOVE UPS

Whenever test or trial entry limits have been reached, all additional entries that are received prior to the closing date shall be added to an alternates list for each class that exceeds the published limit(s). Entries shall be added to their respective alternates list in the order that they are received and published in the catalog. No entries shall be added after the closing time and date specified in the premium list. The Herding Secretary shall notify all entrants of their positions and the alternates list at the time the test/trial program is mailed to each entrant. Those alternates that do not run or do not have the opportunity to run shall have their fees returned.

The alternates list shall be used to fill vacancies that occur in the drawn running order, with the first available alternate entry replacing the first vacancy in the class entered.

Entrants on the alternates list must check in with the Herding Secretary on the grounds no later than 30 minutes before the commencement of their class. Note: Requests to move-up must be given to the Herding Secretary at least 30 minutes prior to the start of the event. Alternates must run in their respective classes if present and if provided with the opportunity to run.

In tests and for move-ups from a test class to a trial class, alternates shall be given priority over dogs that are eligible to be moved-up. Within the trial classes, requests to move-up shall be given priority over alternate entries.
