Whenever test or trial entry limits have been reached, all additional entries that are received prior to the closing date shall be added to an alternates list for each class that exceeds the published limit(s). Entries shall be added to their respective alternates list in the order that they are received and published in the catalog. No entries shall be added after the closing time and date specified in the premium list. The Herding Secretary shall notify all entrants of their positions and the alternates list at the time the test/trial program is mailed to each entrant.
